The Roadx DT990 drive tire has been engineered to perform in demanding conditions such as mining, construction and logging applications. The DT990 features an aggressive multi-lug tread design for exceptional off-road traction and an enhanced rubber compound to resist cuts and chunking. Open shoulder ribs deliver superior stability and resistance to uneven wear. The DT990's deep 31/32" tread depth provides long tread life and an exceptional cost per mile.

APPLICATIONS

- Regional Logging Trucks
- Mixed Concrete Trucks
- Refuse Trucks
- Dump Trucks

TIRE FEATURES

- 1 Aggressive multi-lug design.
- 2 Deep tread depth for excellent tread life.
- 3 Open shoulder design for excellent traction.
