The Wind Power WGC52 is engineered for on and off-road applications. Interlocking tread design provides exceptional weight distribution which minimizes uneven wear. The WGC52 delivers superior traction and extended tread life in a variety of applications.

**Tire Features:**

- Interlocking honeycomb tread design for exceptional weight distribution and even wear
- Solid shoulder design provides superior lateral stability
- Reinforced casing for excellent off-road performance and longevity

**Applications:**

- Regional Trucks
- Dump Trucks
- Ready Mix Trucks
- Refuse Trucks
- Logging Trucks
- Multi-Axle Trailers
- Dump Trailers
