

BD188

The Blacklion BD188 mixed service drive tire features a robust tread design that delivers exceptional traction and durability in both on-road and off-road applications. The BD188's broad footprint provides superior stability and flotation characteristics. The deep 29/32nd tread depth provides excellent tread life while the enhanced rubber compound resists cutting and chunking in off-road applications.

APPLICATIONS

- Dump Trucks
- Refuse Trucks
- Ready Mix Trucks
- Logging Trucks

TIRE FEATURES

- Deep tread depth for excellent tread life.
- Open shoulder design delivers superior traction.
- Enhanced rubber compound resists cutting & chunking in off-road applications.
