UTQG 420 A A AND 420 A B

The BH15 tire is an all-season touring tire engineered to deliver exceptional handling and all-season performance. The BH15 features 4 wide circumferential grooves to help channel water away quickly and efficiently delivering excellent wet weather traction. A modern non-directional tread design provides superior road feel and handling making the BH15 the perfect everyday tire.

50,000 Mile Limited Treadwear Warranty

For full warranty details, visit blackliontires.com/warranty

- Modern non-directional all-season tread design.
- Variable pitch tread design for low noise performance.
- Silica compound for superior wet traction and reduced rolling resistance.
- Jointless Bead Cover: spiral steel band wrapped around beads improves the structural rigidity of the tire resulting in a smooth ride.
- Higher sidewall turn-up provides improved sidewall strength and durability.
